The site is located in the heart of Jersey's Financial Business District and the AAA Prime Office Area, fronting the Esplanade.

This location benefits from being within close proximity to Patriotic Street and Pier Road multi storey car parks and is within 200 yards of the impressive Waterfront leisure development, along with Jersey's premier marinas and harbours.

DESCRIPTION

The proposals are for a principal five storey office development, which is capable of being occupied by a single tenant or numerous tenants, with the design focusing on flexibility and efficiency.
